WARRANT FOR ANNUAL TOWN MEETING

The State of New Hampshire

To the inhabitants of the Town of Wilton in the County of Hillsborough and the State of New Hampshire qualified to vote in town affairs:

You are hereby notified to appear at the Town Hall in said Wilton on Tuesday, the 4th day of March A.D., 1975, at 10:00 A.M. to choose all necessary town officers (Polls will not close before 6:00 P.M.) and at 7:00 P.M. on the same day at the Wilton School District Auditorium adjoining Whiting Park to act upon the following subjects:

1. To hear the reports of Town Officers, Agents, and Committees and pass any vote relating thereto.

2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

3. To see what action the Town will take in regard to real estate taken over by the Town for non-payment of taxes.

4. To see if the Town will vote to accept the budget as prepared by the Budget Committee or make any alterations relating thereto.

5. To see if the Town will vote to raise and appropriate a sum not to exceed \$5,000.00 for the purchase of I beams for the Russell Hill Red Bridge or take any action relating thereto.

6. To see if the Town will vote to raise and appropriate a sum not to exceed \$150.00 for the purpose of repaying the Wilton Elementary School for heating the gymnasium on Saturdays during Biddy League Basketball season or take any action relating thereto.

7. To see if the Town will vote to designate any or all of the following roads "SCENIC ROADS" as defined by N.H. R.S.A. 253-17 as amended in 1973 by Chapter 586:

a) KING BROOK ROAD, from Route 31 to its junction with Russell Hill Road and Kimball Heights Road;

b) KIMBALL HEIGHTS ROAD, from the Greenville Town Line to its junction with Russell Hill Road and King Brook Road;

c) HEALD ROAD, from its junction with Kimball Heights Road northwesterly to its point of ending;

d) RUSSELL HILL ROAD, from its junction with Kimball Heights Road and King Brook Road to its junction with Route 101.

8. To see if the Town will vote to designate "Sand Hill Road" as a Scenic Road as defined by N.H. R.S.A. 253-17 as amended in 1973 by Chapter 586.

9. To see if the Town will vote to raise and appropriate a sum not to exceed \$1,800.00 for purchasing a moving Radar unit for the Police Department utilizing matching Federal Funds or take any action relating thereto.

10. To see if the Town will vote to authorize the Parks and Playground Committee to apply to the State Department of Resources and Economic Development to determine whether the proposed Carnival Hill Recreation Plan would meet State and Federal standards making it eligible for Federal financial support at no expense to the Town or take any action relating thereto.

11. To see if the Town will vote to raise and appropriate the sum of \$22,500.00 towards payment of the new Fire Truck, using the balance of the Revenue Sharing Trust Fund (approximately \$2,000.00), and the remainder to come from this year's taxes or take any action relating thereto.

12. To see if the Town will vote to authorize the withdrawal of \$1,000.00 from the Capital Reserve Fund for the purchase of a Police Cruiser or take any action relating thereto.

13. To see if the Town will vote to raise and appropriate a sum not to exceed \$125,000.00 for the purpose of complying with the State of N.H. requirements relative to Solid Waste Disposal. Sum to be raised by the issuance of serial notes or bonds, in accordance with the terms of Chapter 33 N.H. R.S.A., upon such rates of interest and such terms of repayment as will be, in the opinion of the Selectmen, in the best interests of the Town, or take any action relating thereto.

14. To see what action the Town wishes to take regarding the bequest of \$10,000 from the Roland Cooley Estate.

15. To see if the Town will vote to approve a resolution relative to Chapter 204-A of the N.H. R.S.A. and the provision of Section 8 of the United States Housing Act of 1937, as amended, resolution is as follows:

Whereas, that there continues to exist within the State a serious shortage of safe and sanitary dwelling accommodations at rents which elderly and low income persons can afford, and that such persons are forced to occupy substandard dwelling accommodations; and Whereas, the General Court of the State of N.H. has enacted Chapter 204-A of the N.H. R.S.A. establishing the N.H. Housing Commission; and Whereas, Section 9 of that Act provides that in a municipality where there is no local housing authority operating, the Commission shall not operate without the consent of the governing body of a municipality; and Whereas, said Section 9 provides that consent of the governing body must be given for each project; and Whereas, under the provisions of Section 8 of the U.S. Housing Act of 1937, as amended, the United States of America, acting through the Secretary of Housing and Urban Development, is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners; Now, Therefore, be it resolved by the Board of Selectmen of the Town of Wilton as follows; That the N.H. Housing Commission be and is authorized to operate in the Town of Wilton, County of Hillsborough. That said N.H. Housing Commission is authorized to sponsor a project, under Section 8 of the U.S. Housing Act of 1937, as amended, for any of the following dwelling accommodations or a combination thereof: (a) existing standard housing; (b) rehabilitated housing; (c) newly constructed housing; the total amount of the foregoing not to exceed dwelling units, or take any action relating thereto.

16. To see what sums of money the Town will raise to defray expenses for the ensuing year.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 17th day of February 1975.

SELECTMEN'S REPORT

In our report to the citizens of Wilton for 1974, we would like to present a short summary of the activities your Board has been involved in.

Your Board attended many meetings on a Statewide level which we feel were very beneficial to the Town. The Board attended a seminar on Solid Waste Disposal at U.N.H. and reviewed the recycling plant at Nottingham. We then appointed a committee to study the situation, as Wilton will have to change its present Dump situation by July 1, 1975.

Your Board reviewed the Town Lines between Lyndeboro, Greenville, and Mason, and renewed the marks and bounds. This was done with the aid of Norman Draper. We found that the boundary at the Wilton-Mason Line on Abbot Hill had been put in the wrong place. This was corrected and agreed upon by the Mason Selectmen and your Board. We also have a problem with the boundary between Wilton and Lyndeboro near Holt's Sugar Bush. This is now being surveyed by Norman Draper in conjunction with our Board and the Selectmen from Lyndeboro.

Russell Hill Bridge was repaired, and this was in bad shape, having closed it to passenger cars only. This was put out to bid and was repaired during the month of December. There is still some more work to be done, which we hope can be done this Spring. We met with residents of Kimball Heights on the King Brook Stone Arch culvert and are planning on rebuilding a portion of culvert, making it 6 feet wider.

Your Board reviewed the Bennington Battle Trail Road and constructed a turn-around to enable the School Bus to pick up and deliver children to the Pine Hill School.

We purchased a large dump truck from Bergevin International Truck Sales in Keene, N. H., and traveled to Farrar Co. with Fire Chief Gil Testa and Stanley Schultz to visit the plant where our new Fire Truck will be put together.

George Gazey resigned as Police Chief and Eugene McKay was appointed. Dave Flynn also resigned as a Special

Officer after 12 years of service, and the Board accepted it with regret.

The Town Hall has been insulated and should result in a substantial savings on our fuel bill. The windows were also removed and broken glass replaced. They were also repainted. This was done with the approval of the Budget Committee. Work has been done in the Ambulance Bay, and there is still much work to be done on the Town Hall which we would like to see done in the near future.

The Board would like to thank Jan Quinn for the job she has done since her appointment as our Secretary and Tax Collector. Jan's resignation will take effect the end of March. We will surely miss the effectiveness of her organization of our office. We would also like to thank all the citizens who helped our Board during the year.

1974 WILTON HIGHWAY DEPARTMENT REPORT

Winter Maintenance

Winter weather was relatively mild this past year with a total accumulation of snow only 58 inches. January and December accounted for 38 inches of the total snow amount. February, March and April were divided almost evenly between the other twenty inches. April 9th brought the last storm of the spring, accumulating to 4 inches of heavy wet snow. Most of the storms this year were heavy wet snow, not light and powdery. Five ice and sleet storms brought icy road conditions and treacherous driving. These storms require many extra hours of sanding and salting. Sand-salt mix was used again to areas of light traffic and hills for better traction as opposed to using straight salt. This also reduces the expense of handling these storms.

Summer Maintenance

Maintenance projects this year included a continuation of ditch work, culvert replacement and catch basin improvements started last year. Surface water in many areas is continually deteriorating road surfaces and will require many years of work before it can be eliminated. The road grader and backhoe were used extensively on culvert replacement, ditches and water turnouts. Price increases in pipe will make this an expensive item in the next years.

The largest drain project this summer took place on Burns Hill. A twelve-inch pipe was placed from the bridge on the Island to the catch basins at the end of the Co-op High School Road. This was necessary to correct the drainage problem associated with the school road and its effect on the homes in the area. Two new catch basins on Burns Hill were also added to make clean-out easier and eliminate the water running long distances down the side of the hill. During construction of the drain, the sidewalk down the hill was removed and the curbing in some areas re-set. After completing this work, gravel was added where needed and a new asphalt surface was put down.

Crushed gravel processed by hiring a portable crusher was used to re-gravel more dirt road mileage this year. This practice should be continued until all gravel roads have been re-done. Maintenance of these roads has been less costly in summer and has eliminated a lot of problems with spring road conditions.

T.R.A. work consisted of starting a complete rebuilding of Badger Farm Road. Extensive excavation and fill work was required to remove stone walls from both sides of the road. This material was used to fill in a severe depression between knolls which over the years had obstructed drivers' view while travelling this road. After the excavation phase was finished, extensive culvert and under drain work was done to help curb the large amount of water run-off in the hilly section of the project. The roadbed was then graveled and a "farmers' mix" asphalt top was laid down. This mix consists of two applications of liquid asphalt mixed thoroughly with the top 4-inch layer of gravel by road graders. This material is then placed in layers of various thickness to produce a hard surface asphalt road when rolled in place. A sealing coat was applied later in the fall using liquid asphalt again and covering the whole surface with a layer of sand. The area where the large amounts of fill was placed was left with a gravel surface. This will allow settling to take place until next year, when the remaining section of the road will be rebuilt.

Resurfacing

Improvements to road surfaces was accomplished through the use of hot-mix asphalt rather than liquid asphalt and sand. Many road surfaces were rough, broken up and out of shape. This made maintenance year-round a problem. In an attempt to start repairing these sections, hot-top was applied to the road surface in various thicknesses depending on the condition of the individual section. A local paving company was hired to perform some of this work to: Clark Court, Maple Street, Howard Street, Bales Hill, Wilton Center Road, and Keyes Hill. The Town grader was

used to spread the material on Pead Hill, Dale Street, Isaac Frye Highway and Abbot Hill Acres.

Next year a sealing coat should be applied to the roads where the grader was used to complete the job of sealing the hot top and the sections of pavement where the mixed material was not used. Hot-top placed by a paver and rolled in place does not require sealing.

Dump

Dump expenditures continue to be more costly due to our current operating procedures. Covering material at the dump has been depleted, making it necessary to start excavation of the old section for cover. Equipment time necessary to maintain the dump has been increased along with higher labor costs.

Operating as a landfill type of dump as opposed to open burning also consumes more area per year. This method is much better pollution-wise for the surrounding neighborhood and the town. Our present dump, however, has a time limit for use as it is scheduled to be closed July 1, 1975 by the State. A very capable committee is working on this problem and will have some sort of presentation for the voters at Town Meeting.

I would like to thank all residents and town officials who supported me this year and the loyal employees, both full time and part time who worked with me.

Respectfully submitted,
JAMES A. TUTTLE, Road Agent

REPORT OF THE WILTON POLICE DEPARTMENT FOR 1974

With the decreasing economy we, as in all other towns, have experienced an increase in house breaks and other related offenses. This was predicted. However, with an increased patrol activities we have been able to hold our own in this area.

Motor vehicle problems have been greatly curtailed, primarily because of the use of the Moving Radar unit we have been fortunate enough to have had the use of. This has reduced the incidents of speed by approximately 30% and has resulted in our streets being much safer to travel. We still have a long way to go, however, as is borne out by the sad accident on Ring's Corner which resulted in the useless death of two local youths.

Two cases of arson occurred during the year, both involving motor vehicles. One has been cleared and the second should be cleared in the near future.

The drug scene has changed somewhat over the last several years. It now appears that "hard drug" usage is on the decline; however, the use of lesser drugs such as marijuana is on the increase, especially among the ill-informed young people. More drug cases have been identified than any other time; however, the majority have been impossible to bring to trial. One major source of so-called "soft drug" has been eliminated in the closing months of the year, primarily through hard work on the part of this department.

The faithfulness and dedication of all officers of this department are greatly appreciated. It is only through the efforts of our officers that we can maintain the efficiency and coverage we provide and which the town has a right to expect.

EUGENE Y. McKAY, Chief of Police

REPORT OF THE WILTON FIRE DEPARTMENT

In 1974 the department had a total of 73 calls. This was an increase of nine more calls than in 1973. The biggest cause for the increase was the number of fires at the Town Dump. Perhaps this situation will change next year as there will be other arrangements made for dumping facilities in 1975.

Additional equipment was also purchased in 1974. The department ordered a new pumper that will be received in 1975. Also the men in the department purchased a van from their own funds and have given it to the town. This van, through the efforts of the men of the department, is being equipped to carry a supply of air to fill tanks on breathing packs and to carry other equipment that would be necessary at a fire or other emergency.

We had a water hole built on Rt. 101 near the Brookside Garage. A dry hydrant was installed at the water hole, and this should be a great help to the department as this was an area of the town that was quite difficult to get water for fire protection and extinguishment.

The department was saddened this year with the loss of Franklin Edwards. Although Frank was retired from the department he held a high interest in the department and was available at all times, whether it was to repair equipment or to man the radio or give some fatherly advice. I am sure that the department will miss him along with a lot of other town departments.

I sincerely wish to express my gratitude to all who have assisted the department in any way in the past year.

I want to thank the men of the Wilton Fire Department and my deputies for their efforts this past year. Without their cooperation and dedication it would be impossible to function as a department.

Respectfully submitted,
GILBERT E. TESTA, Chief

Forest Fire Warden

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in co-operation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanston and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

WATER WORKS

The past year has been a busy one for the water commission. We added a new water line to complete the loop between Abbot Hill Acres and Abbot Hill Road. This was a 2000 foot extension which was recommended by our engineers in the extensive report done in 1968. We also purchased 5 new hydrants with the hopes of replacing all the town hydrants with new ones at a reasonable rate. However, the cost of replacing the hydrants has skyrocketed since our original purchase so we replaced only the oldest hydrants and will keep the unused hydrants as reserve.

Our water was tested monthly by the State Water Supply and Pollution Control Commission with the results all being satisfactory.

In mid-summer we received a letter from the Farmers Home Administration saying federal monies may be available for improvements of rural water supplies if we qualify. We applied to the F. H. A. for information, which is still in the works. Briefly it may mean a chance to fund a new water source and standpipe so as to improve our water quality and quantity, plus increase our pressure in outlying areas, such as Dale Street, Abbot Hill Acres and Intervale Road. The new source and standpipe would be underground, thus meeting all our state requirements of the future and eliminate the necessity of an expensive water treatment plant. We will have more information for you this spring in the form of news releases and public hearings with both the Farmers Home Administration and our engineers present to answer all of your questions.

SEWER COMMISSIONERS' REPORT

In the past year we had two (2) manholes installed on Dale Street which will greatly assist maintenance in that area. We plan to do the same on the Island this year wherein, it is another section that has very few cleanouts. The year in general presented only minor problems and hope this mode continues for the ensuing year.

The Board interviewed six (6) engineering companies for the purpose of selecting one to perform the required infiltration study this year. Fenton Keyes Corp. was chosen and the Board along with the Milford Selectmen and their selected consultants met with the N.H.W.P.A. and E.P.A. for the purpose of agreement on direction of the towns. Plans have been reviewed and approved by the state and we are now awaiting word from the E.P.A. The cost for this project will not exceed \$5,000.00 depending upon the final price negotiated. Further action towards a treatment plant will be resumed after completion of this stage and details will be announced when available.

The Board publicly thanks the Highway Department for help in maintaining the system and the Town Secretary for assistance of clerical work.

WILTON YOUTH CENTER COMMITTEE

During 1974 several changes were made in the summer program at Goss Park. Mr. Frank Guistra was hired as Director of Goss Park. This position was created to oversee the entire program. Mr. Guistra was chosen because of his years of experience with the Red Cross Swimming program. The instructors this year were Marcia Tuttle, Diane Wood, Gordon Blagbrough and Sue Conrad.

Two hundred and fifty children from Wilton and Lyndeborough participated in the swimming program. Other activities included the arts and crafts program together with field play and a story hour.

Family Day at the park included a contest to choose Miss Goss Park and Miss Junior Goss Park. The winners were featured on a float in the Old Home Days celebration. Thanks go to Mrs. Thomas Flanders and Mrs. Carleton Johnson for their time and assistance.

To raise additional money for operations the Youth Center held a Swimathon. Many children and adults participated in this event. A special thanks to Mrs. Joseph Pollock for her help in this project which raised \$800.00 for the Center.

Thanks go to the Wilton Fire Department for flooding the two skating rinks and to Abbott Industries for the use of the land.

More than 100 children, including a girls' team, participated in the Biddy Basketball program, which was held on Saturdays at the Elementary School.

This year the park opened later in the morning, to reduce the costs to meet the budget and felt this the best area to cut expenses. With more people working out of town volunteer labor is less available requiring the use of contracted services.

To those who gave of their time and physical effort, we thank you for your support, and to those who support the program with donations, may we say thank you.

Respectfully submitted,
DONNA MAE HOOVER, Chairman

WILTON OLD HOME DAYS REPORT

The largest and most successful Old Home Days celebration in the history of Wilton was held August 23, 24, 25, 1974. Activities for all ages were abundant during the entire three-day festivities. Many hours of hard work by the various chairmen, committee members and townspeople, coupled with the near-perfect weather made the 1974 celebration the best attended and, hopefully, best received in many years.

Unfortunately space does not permit us to list each activity, the contest and race winners, and to thank individually all those who worked so diligently to make the 1974 celebration the huge success that it was.

In closing we, the Committee, wish to thank the individual activity chairmen and their committees for their time, talents, effort and dedication, and to the townspeople for their tremendous support, participation and encouragement.

Sincerely,

EDDIE J. LAMMINEN, JR., Chairman

AUDITORS' REPORT

We have completed our audit of the accounts of town officers for the year ending December 31, 1974.

The records of the Tax Collector, Treasurer, Town Clerk, Trustees of the Trust Fund, Selectmen, Water Department, Wilton Public Library and Clerk of the Municipal Court were checked and after minor corrections found to be in order. Uncollected accounts of the Tax Collector were verified by sending notices to debtors. Town officers' bonds were checked and found to be in order.

We wish to thank the town officers for their cooperation received during the audit, and our many thanks to Jan Quinn for the help she so cheerfully gave us.

SYNOPSIS OF ANNUAL TOWN MEETING

March 5, 1974

The polls were opened at the Town Hall at 10 a.m. and closed at 6 p.m. as voted at the opening. The evening meeting for the discussion of warrant articles opened at 7 p.m. at the Wilton School District Auditorium, with the ballots being counted after this session.

The old slate of elective officers were re-appointed.

No. 1. The reports of town officers, agents and committees were accepted.

No. 2. The Selectmen were authorized to borrow money in anticipation of taxes.

No. 3. The matter of real estate taken over for non-payment of taxes was left to the Selectmen.

No. 4. Taken up with No. 14.

No. 5. The Planning Board was authorized to review and approve or disapprove site plans for non-residential uses, whether or not such developments include a subdivision of the sites.

No. 6. Approval was given for the use of monies received under Federal Revenue Sharing in amounts not to exceed the following:

Highway Truck	\$12,000
Town Hall Repairs	\$ 5,000

No. 7. The sum of \$18,000 was voted to equip a Volunteer Ambulance Service.

No. 8. The Selectmen were authorized to appoint a committee to study the Main Street parking and traffic situation.

No. 9. Taken up with No. 14.

No. 10. This article was amended and passed authorizing the Selectmen to act in the best interests of the town relative to designating the Nashua Regional Planning Commission as the agency responsible for co-ordinating region-wide planning for water quality (well water supplies, waste water disposal and surface waters) and to participate in the co-ordinated planning and its implementation.

No. 11. A sum not to exceed \$10,000 was voted for the purpose of updating the report on sewerage and sewage treatment facilities, completing an infiltration/inflow analysis or any other requirements contained in P.L. 92-500 which will qualify the town for Federal funds, such sum to be raised by the issuance of Serial Bonds or Notes not to exceed \$10,000 under and in compliance with the provisions of the Municipal Finance Act . . . and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take any other actions as may be necessary . . . as shall be in the best interests of the Town of Wilton.

No. 12. This article, a companion to No. 11, was tabled.

No. 13. A sum not to exceed \$48,000 was voted to purchase a new fire truck by issuance of serial notes or bonds.

No. 14. The budget was accepted as printed, with the following changes:

Police Department, increased from \$35,750 to \$38,668 to provide for an additional officer and false arrest insurance.

Planning and Zoning increased from \$1,500 to \$4,500 to provide for a Master Plan.

Advertising and Regional Association increased from \$575 to \$1,633.

Fire Truck appropriation of \$48,000 was added under Article No. 13.

Town Hall repairs appropriation of \$5,000 was added under Article No. 6.

SCHOOL WARRANT

For Annual District Meeting on March 1, 1975

To the inhabitants of the WILTON SCHOOL DISTRICT,
qualified to vote in the WILTON District affairs:

You are hereby notified to meet at the WILTON SCHOOL AUDITORIUM in said district on the FIRST day of MARCH 1975, at 8:00 o'clock in the afternoon to act upon the following subjects:

6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

8. To see if the district will provide transportation to and from school for the children residing on Pead Hill and Curtis Farm Road. (By Petition)

9. To see if the district will vote to raise and appropriate a sum of money not to exceed Seventy Thousand Dollars (\$70,000.00) by the issuance of Serial Notes or Bonds in the name of and on the credit of the District in accordance with RSA:33, subject to any state or federal grant available in the future and applicable to this article, for the purpose of urgently needed repairs or renovations to the Elementary School building including grouting and resurfacing of exterior brick, laying of sub-floor and tile on the first floor of the old building and completion of replacing windows with aluminum windows, said Serial Notes or Bonds to be obtained on such rates or terms as may be deemed advisable by the School Board and paid off over a period of not more than five (5) years, or take any action relating thereto.

10. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district.

11. To transact any other business that may legally come before the meeting.

Given under our hands at said WILTON this 7th day of February 1975.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Carl E. Bowers

Once again it is time to make a progress report on the schools for this past year.

Our most important assignment today is to educate our girls and boys so that they may be able to better cope with the existing society that has become more complex.

We are indeed fortunate to have the personnel services of a professional staff of competent and dedicated teachers. There is little doubt that stability of the staff is of utmost importance if we wish to establish continuity of programs at all levels. The adoption of the Salary Guide that follows, and the provisions of sufficient financial support to implement it, has been a contributing factor in retention and securing of teaching personnel.

Salary Guide for Instructional Staff – 1974-75 Adopted 3-12-74

Credited Years of Experience	Bachelor's Degree	BA + 15	Master's Degree	MA + 15
0	\$ 6,800	\$ 7,000	\$ 7,200	\$ 7,400
1	7,130	7,330	7,530	7,730
2	7,460	7,660	7,860	8,060
3	7,790	7,990	8,190	8,390
4	8,120	8,320	8,520	8,720
5	8,450	8,650	8,850	9,050
6	8,780	8,980	9,180	9,380
7	9,110	9,310	9,510	9,710
8	9,440	9,640	9,840	10,040
9	9,770	9,970	10,170	10,370
10	10,100	10,300	10,500	10,700

In an effort to share with one another, the administrative staff has been meeting monthly. These meetings give us an opportunity to share points of mutual concern as well as an opportunity to learn about new programs and activities that are going on throughout the Supervisory Union. At several of these meetings, Staff Development was the prime topic for discussion.

The Staff Development Concept was initiated by the State Department of Education as a means to up-grade the educational programs throughout the state, as well as a means of improving the re-certification process.

The Wilton, Lyndeborough, and Wilton-Lyndeborough Cooperative Districts have established their Staff Development Committee, which has been functioning very well. For our purpose, we may define staff development as a system of in-service training leading to re-certification of professional staff members through the satisfaction of determined educational needs and interests of the community, school, and staff.

The No School Policy has been included in this report to help disseminate the procedure followed if schools are to be closed due to inclement weather.

No School Policy

The policy for No School is geared to the safety of the children. Generally, if buses can operate safely, school will be in session. However, it is expected that if any parent does not desire to have his child venture out during inclement weather, it is his or her prerogative to keep the child at home. We depend on the judgment of the ROAD AGENTS and the TRANSPORTATION CONTRACTORS in making a decision to close or operate as usual.

If the weather or the roads appear to present hazards, parents and children will be informed in the following manner:

Radio Station WBZ in Boston will be used to announce No School for all towns (Wilton, Lyndeborough, Greenville, Mason, New Ipswich) in Supervisory Union No. 63.

The Fire Whistle will be used to announce No School for the towns of Wilton, Lyndeborough, Greenville, and New Ipswich. The Signal will be three short blasts at 6:30 a.m. and 6:45 a.m.

Our preventive maintenance program was continued with the following taking place:

Girls' and boys' basement areas in the primary section were painted, radiator thermostats were replaced where necessary, continued re-keying and replacing door hardware, cleaning and repairing the Simplex Clock system, minor roof repairs, boilers cleaned and repaired; and the general housekeeping duties were accomplished, including stripping, waxing, and polishing floors, replacing broken glass, and cleaning all furniture.

Mr. John Guilfoyle and Mr. David Bursey, our school custodians, are to be commended on a job well done.

We are continuing to evaluate and improve upon the budgeting and purchasing procedures that have contributed to sound business practices as evidenced in our financial accounting, for each district served by the Supervisory Union Office.

As I conclude this report, I will take this opportunity to thank the School Board, the Town Officials — both elected and appointed — and the citizens of the District for their interest in the school program and for their cooperation.

Wilton-Lyndeborough Cooperative School District REPORT OF THE SUPERINTENDENT OF SCHOOLS

Carl E. Bowers

Once again it is time to make a progress report on the Wilton-Lyndeborough Cooperative School for this past year.

Our most important assignment today is to educate our girls and boys so that they may be able to better cope with the existing society that has become more complex.

After reviewing the experience of the staff and finding that twenty per cent of the teachers have had teaching experience ranging from eleven to twenty-one years, the following negotiated salary guide was adopted by the School Board.

Salary Guide for Instructional Staff — 1974-75 Adopted 4-03-74

22	10,590	10,790	10,990	11,190	11,390

In an effort to share with one another, the administrative staff has been meeting monthly. These meetings give us an opportunity to share points of mutual concern as well as an opportunity to learn about new programs and activities that are going on throughout the Supervisory Union. At several of these meetings, Staff Development was the prime topic for discussion.

The Staff Development Concept was initiated by the State Department of Education as a means to up-grade the educational programs throughout the state, as well as a means of improving the re-certification process.

The Wilton, Lyndeborough, and Wilton-Lyndeborough Cooperative Districts have established their Staff Development Committee, which has been functioning very well. For our purpose, we may define staff development as a system of in-service training leading to re-certification of professional staff members through the satisfaction of determined educational needs and interests of the community, school, and staff.

This staff development plan, when completed, will be submitted to the New Hampshire State Department of Education for their approval by July 1, 1975.

I wish to commend the custodial staff, who have not only taken care of general housekeeping duties such as washing and waxing floors, cleaning of all furniture and student lockers, but have continued our preventive maintenance program by painting several classrooms and other areas each year in an attempt to keep the school facilities in their original state of repair.

We are continuing to evaluate and improve upon the budgeting and purchasing procedures that have contributed to sound business practices, as evidenced in our financial accounting for each district served by the Supervisory Union Office.

As I conclude this report, I will take this opportunity to thank the School Board, School Staff, Town Officials and Citizens for their cooperation and interest in our school and its young people.
